

Your Climate Responsibility Code

Because I love winter and sliding on snow-covered mountains:

1. I will do everything I can to stop Climate Change and preserve snowy winters.
2. I am responsible for my use of fossil fuels and their effect on the environment.
3. I will reduce my net CO2 emissions towards zero.
4. I will use energy efficient transportation when I travel.
5. I will encourage my friends and family to reduce their CO2 emissions.
6. I will urge the Ski Areas I visit and Gear Manufacturers to operate sustainably.
7. I will tell other skiers and snowboarders about Your Climate Responsibility Code.

Know Your Climate Responsibility Code and let's stop Global Warming cold!
